Varner-Hogg Plantation House (TEX-251)

Structure

2 miles N. of West Columbia at Varner-Hogg State Park Museum. Brick and stucco, five-bay front, two stories, gable roof with square cupola, rectangular plan, two-story veranda front and rear. Kitchen-dining room in adjacent building. Built c.1835 by Columbus R. Patton, who may have enclosed the cabin of Martin Varner, original owner of the plantation. Purchased in 1901 by James Stephen

Hogg, Governor of Texas (1891-95), whose family adapted it to new needs by extensive remodeling. 4 ext. photos (1936); 1 data page (1936); HABSI.

Card prepared July 1975.
